Dear Sir/ Madam

**RE: APPLICATION FOR CHANGE OF NAME AND STATUS FROM
PRECISION AIR SERVICES LIMITED TO PRECISION AIR SERVICES PLC**

Reference is made to the heading above and the certificate attached as Certificate of incorporation dated 16th January, 1991 obtained by BRELA, registering the company as PRECISION AIR SERVICES LIMITED (attached as exhibit A), Certificate for change of Name from BRELA dated 14th April 2011 to PRECISION AIR SERVICES PLC (Attached as exhibit B) and CERTIFICATE OF INCENTIVES (Attached as Exhibit C)

Precision Air Services PLC kindly submit this letter requesting a change of name and its status from a Private Company to a Public Limited Company. The Company's name therefore changes from PRECISION AIR SERVICES LIMITED to PRECISION AIR SERVICES PLC as written in the certificate for change of name. The detailed company search hereinafter attached as exhibit D

The change will remove the legal constraints which we are currently facing due to the fact that the certificate of Incentive is provided under a different name from other compliance documents while the company has already made a change.

We look forward for this fruitful change.

Sincerely,

Oscar Goodluck
