RE: **APPLICATION FOR REGISTRATION AND OBTAINING CERTIFICATE OF INCENTIVE**

Kindly accord a creditable regard to the inscribed subject matter

We are **ATRIUM INTERNATIONAL LIMITED**, a company dully incorporated and operating under the laws of Tanzania in the year 2022 with an objective of investing in agricultural produce to wit cooking oil, Iron & Steel, FMCG. The company has purchased the 20Acres of land at Mukuranga District, Coastal region where it aims at setting up its first plant and other machineries (Palm Oil Processing Unit) for cooking oil production from palm trees with the initial capacity of producing up to 1000MT per day.

The total project cost inclusive of Land development, building, infrastructure and working is 69.50M USD. On the other hand, during the company's first year of operation (which commenced on October 2022) the company ventured into iron and steel TMT bar sales and made a turnover of 2M USD up to now.

At the outset, we request your esteemed Office to register this project as a qualified investment project and grant the certificate of incentive for our operations.

We thank you very much for your continued services and look forward to being registered as qualified investors and be accommodated to applicable investment incentives in this project.

Yours Faithful

ARPAN SINGHAL
Managing Director
