Dear Sir/Madam,

RE: PROJECT LOCATION

We would like to inform you that the address of our project location at the time of purchase was Plot No. 831,832,833, located at Mbagala Area, Temeke Municipality.

Prior to this, the location was a residential area which we intended to convert into an industrial area for our business.

Following this, we informed the Temeke Municipal to survey the plot from which the Plot Number was changed from 831,832,833 to P16179.

Kindly find attached the official documents to support the above.

We kindly request you to please update this in your records and issue us with a new certificate as we have already processed the payment for the same.

Looking forward to your support on this matter at your soonest.

Sincerely,
Director
