RE: APPLICATION FOR EXTENSION OF TIC CERTIFICATE

AMIGO POLYFIBRE COMPANY LIMITED a private company registered in Tanzania and follows all the formalities and we are registered with TIC and we have been issued with certificate of incentive number 024485.

The main objective of the project is manufacturing of canvas materials in Mwasonga Street, kisarawe 2 industrial area, kigamboni, Dar es Salaam.

We **AMIGO POLYFIBRE COMPANY LIMITED** our project implementation period was from November 2019 to October 2022, therefore we write this letter to your esteem office to give us a **one year extension** because there was some delays during implementation period which was out of our control like (COVID 19 break out) and other operational reason.

We have imported steel structure for the extension of our project and later on we will import some machines and therefore we ask for the extension so we can facilitate to have tax exemptions on the imported industrial material to finalize our project.

Kindly find the following attachment:

- Progress report
- Payment of US\$ 1000
- Project photos
- Parking list and invoice the goods to be exempted.

Yours faithfully,

Muxiong Huang
