RE: APPLICATION FOR TIC CERTIFICATE

The reference is made to the above subject.

JDEES ENTERPRISES is a locally registered partnership with Certificate of Registration issued with BRELA. The Partnership is 100% Tanzanian owned and engages in the food and hospitality sector, operating a restaurant in Masaki, Dar es Salaam. We begin a rehabilitation/expansion of our business in 2022 and following change in law lowering the threshold for registration with TIC for domestic investors, would like to apply for a certificate of incentives from the TIC.

We submit the following documents for your good office's review:

1. This Application letter
2. A Copy of the Partnership Registration Extract from BRELA
3. A Copy of Partnership Deed
4. TIC Application Form
5. Business Plan
6. Recent Bank Statement
7. Lease Agreement
8. Business License
9. TIN Certificate

Yours Sincerely,

Majabeen D. Amin
