Dar es Salaam, Tanzania.

Greetings from Serengeti, Tanzania.

RE: SERENGETI SMART CITY PROJECT REGISTRATION AND CERTIFICATION

Kindly refer to the above heading.

We further our request to register with the Tanzania Investment Center (TIC) as local investors in the area of tourism industry. In this capacity, we at Serengeti Development Company Limited (SDCL) are working diligently to secure funding for developing the Serengeti Smart City (SESCI-22) Project. The District authorities decided to register a company that will serve as Special Purpose Vehicle (SPV) to champion investments that will foster people centered prosperity.

We, the SDCL a subsidiary of Serengeti District Council are working with Tanscar Attorneys, who is our consultant in financing and executing of SESCI22 Projects, have secured funding from Abernathy Private Fund Advisor to the heights of 598 BUSD over a period of 30 years.

SESCI-22 project desires to design and build a smart city that will serve for tourism services in the Western Corridor of the Serengeti National Park in Tanzania. We request your good offices to consider registering SESCI22 project with TIC, a project owned by SDCL a subsidiary of Serengeti district council.

With this letter, we humbly tender in request for TIC registration as investors.

Sincerely,

Dr. Vincent Biyegela Mashinji,
Director & Chief Commercial Officer
Serengeti Development Company Limited
