Dear Sir/ Madam

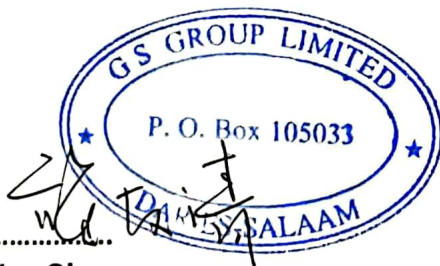

## REF: CHANGE OF LOCATION OF OUR PROJECT

The heading above refers, We are applying to your esteemed office to change LOCATION of our project from PLOT NO. 30C/30D, NYERERE ROAD, ILALA TO PLOT NO. 4 BLOCK "D" AT MIEMBE SABA, KIBAHA MUNICIPALITY COAST REGION.

Due to the rise of cost and delay of building permit and other project on going along the main road, it is much better our factory to be located at KIBAHA along the main road where cost is low and the access to the factory is proper.

We will appreciate your positive consideration in this matters

You're sincerely

.....
