Dear Sir/Madam,

**RE: AMENDMENT OF TIC CERTIFICATE FOR APPLICATION OF WORK
PERMIT CLASS A FOR KSHITIJ KOTHARI.**

Reference is made to the above captioned matter.

Nakoda Fine Gems Limited, is a Company incorporated in Tanzania with Certificate of Incorporation Number 83404, a Certificate of Incentive number 042054 and a Tax Identification Number 113-416-238.

On 10th August 2023, we applied for RENEWAL of Class A work permit for Mr. KSHITIJ KOTHARI and unfortunately the TIC Certificate had a typing error written Tshtij Kothari instead of Ktishtij Kothari. *Attached is a copy of the TIC certificate for your ease of reference.* Mr. Kothari together with the company did not get any encumbrance using the certificate and this is the third permit application he had made so far.

Regrettably, his permit is expiring on 16/09/2023 *Attached is a copy of the work permit certificate for your ease of reference* and his application has been stopped by the TIC Labor office on the ground that his names differs on the TIC certificate hence we should submit the original copies of company's TIC certificate to TIC Northern Zone office in Moshi for verification.

We are therefore humbly request your good office to amend the certificate for the application of new permit.

We kindly request your office to consider our request because Mr Kshitij contribution to the Company and country in general is very significant as it will enable the Company to

Yours faithfully,
