Dear Sir

RE: APPLICATION FOR THE REGISTRATION OF OUR BABATI DEPOT AND WAREHOUSING PROJECT

The above heading refers;

Currently SBC Tanzania Limited has managed to stretch its operations across the United Republic of Tanzania with 4 operating plants which are located in Dar es Salaam, Mbeya, Arusha and Mwanza and a dozen depots which are in Morogoro, Iringa, Moshi, Bukoba, Dodoma, Shinyanga, Tanga, Songea, Igogo, Sumbawanga, Lindi & Mtwara. With the constant demand of the market on the soft drink industry in the country we have seen it is best to undergo a major expansion so as to service more customers.

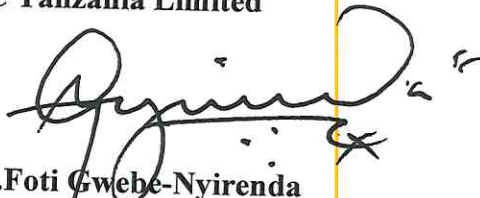

With a view of servicing more customers timely and creating direct and indirect employment opportunities, we planning on opening a depot and warehousing facilities in Babati district with a marketing focus of reaching urban and rural Manyara district and the neighboring regions.

In pursuant to our mission and commitment to our medium to long-term business strategy SBC Tanzania Limited has expressed its interest in pursuing and expanding its footprint in Arusha and Manyara regions by investing in Babati operations.

It is our hope that our application will be considered favourably.

Many thanks for your continued support.

Yours faithfully
SBC Tanzania Limited
