

RE: NON HOLDING OF THE FINACIAL STATEMENT

Kindly as the heading above is concerned

Our company has been registered on 24/02/2023 and that we do not have the financial statement because we have not reach the financial year for us to do the financial statement .

And also at the bank we can not open the account because the director does have the resident permits as requested by the bank

We hope our Application will be accepted and the permit will be granted

Thank you for your time and consideration.

Yours

DIRECTOR
