Dear Sir/Madam

RE: Progress Report No-4

Pursuant to Certificate of incentive no.0224076 issued by TIC on the 12th of June 2019 Flintstone Engineering s.co. had been working all the necessary preparation to launch the project. However, we have faced Registration problem with BRELA in addressing our company registration and updating since March 2021. Moreover subsequent activities such as application for business license and permits could not be carried out on timely basis due to visa problem as Ethiopia fall in (Referral country list) on the online eservice of immigration.

Accordingly, we are here by submit this report so that the center would Renew/Amend the certificate. Please find attached list of documents and evidence as part of the activities we have been doing so far.

I thank you in advance,

Sincerely,

Tesfaye Worku(Director)
