Dear Sir,

Ref: REQUEST FOR EXTENSION OF INVESTEMENT CERTIFICATE

We are writing this letter to formally request the EXTENTION of our Certificate of incentives. Our current Certificate of incentives bears the number 0224076 and is valid until June 2022.

However, due to various reasons such us COVID-19 pandemic, Visa problem with immigration (as Ethiopia is a referral country on the system), long time taken to clear our company registration from BRELA, Business license issue delay, Title deed clearance, Long Disposition process from land lord to the investor to get derivative right and finally Design revision.

Accordingly, we are here by request for Extension of the certificate so that the realization of the project is achieved. We have attached the required documents and evidence for your reference.

Sincerely,

Tesfaye Worku, Director
