**RE: APPLICATION FOR THE AMMENDMENT OF TIC CERTIFICATE OF INCENTIVES  
202371294 ON SUB SECTOR PEROLEUM STORAGE FACILTIES TO FUEL BULK STORAGE  
FACILTIES.**

Please refer to the heading above. We are a newly registered local company under Certificate of Incorporation No. 18300 of 29<sup>th</sup> July, 1990 formed for the purposes of undertaking bulk fuel storage facilities in the country.

On July 15<sup>th</sup>, 2023, the company apply for TIC certificate of incentive for fuel bulk storage facilities in Mtwara region, our objective is to implement the construction and installation of FUEL BULK STORAGE FACILITIES at Mtwara Industrial area in Mtwara Township. The project worth approximately 22Million US\$ and is expected to kick off by the start of Q3 2023 and end by Q3 2024 barring any unforeseen circumstances.

Unforeseen, when applying for incentives, we could not find FUEL BULK STORAGE FACILITIES in TIC system instead, LIQUEFIED PETROLEUM BULK STORAGE FACILITIES, but all our business therefore plan all the information submitted are for fuel bulk storage facilities. We therefore, request your office, to amend our previous certificate for a project sub sector to be on Fuel Bulk storage facilities to match with our project objectives.

With this letter we kindly attach a progress report, BRELA officer search, application form and picture of our project.

Thanking you for your kind cooperation.

Yours Sincerely

OILCOM T LIMITED
