RE: APPLICATION FOR EXTENSION OF CERTIFICATE OF INCENTIVES

Greetings from Kas Biotech Limited.

Reference is made to the above subject. We Kas Biotech Ltd are a registered manufacturer of Pharmaceuticals & Medical Devices including in vitro diagnostics devices (IVDD) registered by BRELA holding Certificate of Incorporation of a Company with No. 140992232.

Kas Biotech Limited was registered by your good office on 6th October 2020 and issued a certificate of incentives with No. 202010172.

Implementation of our project included two phases as phase I and phase II, whereby we have implemented phase I by 80% and production activities are ongoing.

Completion of Phase I was delayed for two years as projected due to Covid 19 pandemic, we kindly request you to extend our certificate so as we can proceed with implementation of our project.

After phase I, we will then proceed with Phase II which include manufacturing of Medical products from components of different membranes to make uncut sheets then finally to obtain the Finished Good.

Progressive report for the project and list of items for exemption is attached for your reference.

With Kindest regards,

KAS BIOTECH LIMITED
