Subject: **APPLICATION FOR CHANGE OF LOCATION IN CERTIFICATE OF INCENTIVES**

Dear Sir/Madam,

I hope this letter finds you well. I am writing to formally request a change of location in my Certificate of Incentives issued by the Tanzania Investment Centre. I am currently a registered investor with the center and have been granted various incentives for my investment project.

I would like to bring to your attention that due to unforeseen circumstances and business requirements, I need to relocate my investment project to a different location within Tanzania. The new location provides significant advantages and opportunities that align with the objectives of my investment, and I firmly believe it will contribute positively to the economic growth of the region.

In light of this, I kindly request your assistance in facilitating the necessary procedures to amend the location information in my Certificate of Incentives. I understand that the change in location may necessitate a review of the project's details and evaluation of the new location's suitability. I am fully committed to providing any additional information or documentation required to support this request.

I kindly request that you acknowledge receipt of this application and provide guidance on any additional requirements or procedures that may be necessary. Additionally, I would appreciate an estimated timeline for processing the request, as it will assist me in planning the relocation of my investment project effectively.

I am grateful for the support and facilitation provided by the Tanzania Investment Centre thus far, and I am confident that with your cooperation, we can smoothly navigate this change in location and continue to contribute to the economic development of Tanzania.

Should you require any further information or clarification. Please do not hesitate to contact me
