Dear Sir/Madam

RE:AMENDMENT TO CHANGE COMPANY PROJECT

We appreciate your interest in collaborating with our company FORWORLD TANZANIA LIMITED. After reviewing our company status project at TIC Incentives certificate, We did NOT intend to do FISH FARMING as Per Our Current TIC certificate status. We therefore request to amend our PROJECT TO Sea food business. we request the names to appear on TIC Certificate as follows: CRUSATCEAN FARMING[LOBSTERS(panulirus ornatos),CRABS (scylla serrata)] AND SEA CUCUMBER(holothuridea) FARMING.

Unfortunately our previous applications does not meet the Project company threshold , we therefore, request with outmost faith to Amend the name of our current TIC certificate into the name stated above. Also on the other side of Proposed Activities should read To establish Lobsters,Crabs,and Sea cucumber Farming,and Sector to be Fisheries Sub-sector Lobsters,Crabs and Sea cucumber farming.

Thank you
