Dear Sir,

RE: Request for Extension of Certificate of Incentives No. 026531 for TANGREEN AGRICULTURE LIMITED for the Fish Farming Project, Kigangama Village, Nyanguge, Magu Mwanza.

Reference is made to the above subject matter.

I have honour to submit our request to your good office to extend our TIC Certificate of Incentives No. 026531 for our project to meet the expected objectives of establishing and operating fish farming and processing Project in Kigangama Village, Nyanguge, Magu Mwanza. Our Certificate expires on 27th February 2023.

During establishment of our project we faced financial challenges whereby there was some delays in accessing loan including Tsh 350,000,000 from our counterpart SUNSHARE INVESTMENT LTD. Also there were some delays in getting the Derivative Right. Therefore we could not undertake some project activities as planned before.

Attached please find some evidence of loans agreement with SUNSHARE INVESTMENT LTD which we accessed in February, 2022 to make the project successful.

Thank you for your continued cooperation.
