RE: APPLICATION FOR REGISTRATION AS INVESTOR

Reference is made to the above captioned subject.

We are writing to apply for registration as investor. Our company intends to construct a luxurious marine lodge at NAMPONDA ISLAND at Mtwara region. We have more than 20 years of experience in running the tourist lodge and restaurants in Tanzania. The shareholders of this company are the owners of the famous ROCK RESTAURANT in Zanzibar, Hekaya Village in Zanzibar and Kipupwe Luxurious Camp at Ruaha National Park. We intend to inject a capital of USD 1,800,000 for construction of lodge. Among other tax and fiscal benefits, this lodge will create 15 employment opportunities for Tanzanians and transform Mtwara into one of the attractive tourist destination in Tanzania.

Against that background, we implore your good office to consider our application and grant us registration as investor.

Truly yours,

JUDITH RAYMOND MUSHI

DIRECTOR
