**II. The Matter of Fact and Request**

Via this letter, we would like to request your respected office to support our Cargo Transportation project and allow us to register the investment project with the Centre. The project consists of expanding our fleet by 100 trucks over the next three years (2024-2026) to help support the growing local and foreign imports and exports. The increase of our fleet will allow for more job opportunities within the Northern Zone (Kilimanjaro region), and help boost the economy.

With this letter, we have attached the TIC application letter, Business plan and supporting documents as Appendices in support of the above-mentioned facts.

**III. Conclusion**

Based with the facts presented above, we are looking forward to your office to take our humble request into consideration.

In case you require any additional information or clarification, please do not hesitate to contact us.

Yours sincerely

**Charan Singh and Sons Limited**
