Director General
Tanzania Investment Centre
Dar es Salaam, Tanzania

Dear Sir,

We are planning to invest in to a Lead smelting plant at Dar es Salaam region for manufacturing Lead Blocks which are in great demand overseas and have a ready Export market.

We would therefore like to request you to grant us Certificate of Incentives for the Company to access various services provided by Tanzania Investment Centre.

To enable your appraisal we attach herewith:

1. Business Plan/Feasibility study report with brief write up on the project giving details of the process, Management profile and SWOT analysis. Business Plan for the years 2024 - 2028 including Income statement, Balance Sheet, Fixed assets register and List of Equipment
2. Dully filled TIC Application forms
3. Memorandum and Articles of Association
4. Certificate of Incorporation
5. Board Resolution

We are confident that your good office would extend support and approve our request for Incentive Certificate under Tanzania Investment Center (TIC).

Thanking You.

Yours sincerely,

Subrat Patel
