Dear Sir/Madam,

Subject: Application for Membership with Tanzania Investment Centre (TIC)

We, at Stepping Stones School are writing to express our keen interest in becoming a member of the Tanzania Investment Centre (TIC). As a reputable educational institution, we believe that joining TIC will provide us with invaluable opportunities to contribute to the growth and development of Tanzania's education sector and foster partnerships with other stakeholders.

Founded in 2013, Stepping Stones School has been committed to providing quality education to students in Daressalaam. Over the years, we have gained recognition for our academic excellence, innovative teaching methodologies, and holistic approach to student development.

By joining TIC, we aim to leverage the benefits and resources offered by the organization to further enhance our educational offerings and expand our reach. We are particularly interested in accessing the various services and support provided by TIC, such as facilitating partnerships with international educational institutions, support in attaining permits for foreign teacher and licenses. and accessing funding programs that align with our growth plans.

Thank you for considering our application. We eagerly anticipate the possibility of joining TIC and working together towards a brighter future for education in Tanzania.

Should you require any additional information or have any queries, please do not hesitate to contact us. As requested we have included the contact information of our Company Secretary and the Director.
