RE: AMENDMENT OF CERTIFICATE OF INCENTIVES

I'm writing regarding the above subject as we are requesting an amendment to the Certificate of Incentives of Fab Cars Limited.

As per our current certificate, our Director Mr. Tumaini Felix Mocha is listed as a Tanzanian Citizen and that needs to be changed to an American Citizen.

All other details on the Certificate are correctly listed.

Please proceed with this single change as soon as possible and find attached supporting documentation for your efforts.

Best regards,

Tumaini Mocha
