Dear Sir/Madam

Re: COVERING LETTER

Zhongtan International Marine Fisheries Company Limited is a licensed fish farm located at Kilindoni, Mafia District, Pwani Region. We have secured 12 acres of land to establish a sea cucumber and lobster fish farm. This farm is expected to be a standard commercial fish farm that is expected to leverage the vast opportunities available in the fishing industry, to contribute to our quota in growing the United Republic of Tanzania (URT) economy, in national food production.

We have therefore decided to apply for a certificate of incentives for our fish farm project and together with this cover letter we have attached the below

- (i) 1 copy of the project's Business Plan
- (ii) A dully filled TIC application form (registration form)
- (iii) In case of expansion/rehabilitation (*remove if not applicable*) a copy of the audited account for the past three years.
- (iv) A copy of the company's Memorandum and Articles of Association.
- (v) A certified copy of the Certificate of Company Incorporation
- (vi) Evidence of sufficient financial capital available to implement the project
- (vii) Evidence of land ownership for the location of the project (*depending on the project, certified lease agreement of a minimum of 3 years or certified copy of title deed*).
- (viii) Company Board Resolution to register the project with TIC.

I thank you in advance,

For the Company
