Dear Sir,

REF: REQUEST TO EXPAND PROJECT UNDER TIC INCENTIVE CERTIFICATE NO
070426-01

We are writing to apply for an expansion to our existing Certificate of Incentive under no 070426-01. This addition aims to enhance our operational efficiency and provide comprehensive solutions to our clients.

The expanded scope will enable us to streamline the movement of goods, reduce transit times, and improve overall service delivery. By integrating logistics and transportation, we can leverage our existing infrastructure and resources more effectively, ensuring a seamless supply chain experience.

We have enclosed detailed plans and projections for this expansion for your review. We believe this strategic move will significantly benefit our operations and align with our long-term growth objectives.

Please find contact details below:
