Subject: Registration of Project with Tanzania Investment Center

Dear Sir/Madam,

I am writing on behalf of Care Mining Company Limited to inform you that our Board of Directors has passed a resolution to register our project with the Tanzania Investment Center (TIC).

We have carefully considered the investment opportunities in Tanzania and believe that our project aligns with the development goals of the country. By registering with TIC, we seek to not only formalize our commitment to investing in Tanzania but also take advantage of the various benefits and incentives provided by your esteemed organization.

In line with this decision, our management is fully committed to fulfilling all necessary requirements for project registration as per TIC guidelines. We understand the importance of providing detailed information about our project, including its objectives, financial projections, employment generation potential, and any other relevant details required by TIC.

Furthermore, we assure you that we will comply with all regulations and requirements throughout the registration process. Our Chief Executive Officer or their designee will represent Care Mining Company in all correspondences with TIC regarding this matter.

We are confident that registering our project with TIC will not only benefit our company but also contribute positively to the economic growth and development of Tanzania.

We look forward to a successful registration process and hope for a mutually beneficial partnership with TIC. We are open to any further guidance or assistance from your end concerning this matter.

Thank you for your attention to this letter. Please find attached a copy of the Board Resolution confirming our decision regarding project registration with Tanzania Investment Center.

Yours faithfully,

JIN DONG KYU,

CHIEF EXECUTIVE OFFICER,

JIN DONG KYU
