Subject: Application for Registration and Incentives for Sadana Agro and Mining Group Limited

I am writing to express my sincere interest in registering Sadana Agro and Mining Group Limited with the Tanzania Investment Center (TIC) and applying for incentives to support our investment endeavors in Tanzania.

Sadana Agro and Mining Group Limited is a small-scale venture wholly-owned by Tanzanian shareholders, dedicated to responsibly extracting and providing high-quality minerals to meet market demands. We are enthusiastic about contributing to the economic development of Tanzania and are eager to align our operations with the country's investment policies.

Enclosed with this letter, please find the necessary documents and information required for the registration process, as specified by the Tanzania Investment Center. Our business plan outlines our proposed investments, job creation, and the potential positive impact on the local community.

We are particularly interested in exploring the incentives offered by the TIC to enhance the feasibility of our investment. These incentives, such as tax exemptions, customs duty relief, etc. will play a crucial role in accelerating our growth and fostering a mutually beneficial partnership.

We assure you that our business operations will adhere to all applicable laws and regulations in Tanzania. Additionally, we are committed to upholding ethical business practices, promoting sustainability, and actively participating in community development initiatives.

Thank you for considering our application. We look forward to the possibility of contributing to Tanzania's economic landscape and eagerly await your positive response.

Yours sincerely,

Salim Dhiyebi
