TANZANIA INVESTMENT CENTRE(TIC)

NORTHERN ZONE OFFICE

MOSHI-KILIMANJARO

Dear Sir /madam

RE:APPLICATION FOR REGISTRATION OF INVESTMENT PROJECT WITH TANZANIA INVESTMENT CENTRE(TIC)

I am writing to formally request consideration for the registration of our investment project with the Tanzania Investment Centre (TIC). Our company, Harsho Milling Company Limited, is engaged in the manufacture of animal feeds and is currently undergoing a significant expansion in both hatchery and breeder operations.

Our company, Harsho Milling Company Limited, has a steadfast commitment to producing high-quality animal feeds to support the economy and industries in Tanzania. With our expansion plans, we aim to enhance our capabilities in hatchery and breeder operations to meet the growing demand for poultry products in all areas. This expansion represents a substantial investment in both infrastructure and technology, underscoring our dedication to innovation and sustainable growth.

Registering our investment project with the Tanzania Investment Centre is essential for several reasons. Firstly, it will provide us with the necessary recognition and support from the government to facilitate the smooth execution of our expansion plans. Additionally, registration with TIC will enable us to access various incentives and benefits offered to registered investors, thereby enhancing the viability and success of our project.

We believe that our investment project aligns with the development goals set by the government of Tanzania, particularly in the areas of livestock farming, agriculture, and economic growth. By expanding our operations, we aim not only to create employment opportunities but also to contribute to increased productivity and efficiency within the agricultural and livestock value chains.

We sincerely hope for favorable consideration of our application for registration, and we look forward to the opportunity to contribute to the economic development of our nation. Thank you for your attention to this matter.

Your sincerely

Harold Alfayo shoo-Managing Director
