RE : AN APPLICATION FOR A CERTIFICATE OF INCENTIVE FOR OUR BUILDING MATERIAL MANUFACTURING PROJECT AT PLOT 173/3 & 172/4 WESTERN INDUSTRIAL AREA DODOMA

SUB: APPLICATION LETTER

Dear Director,

I am writing on behalf of Zhuang Chen Construction Company Limited to formally request a Certificate of Incentives for our upcoming building material manufacturing project located at Plot No.173/3 and 172/4, Western Industrial Area, Dodoma City.

Our company is set to embark on a significant venture aimed at establishing a Dodoma-based inland building material base to serve the western and southern building material market of Tanzania. The project entails an initial capital investment of \$500,000 USD. Out of this, \$300,000 USD is allocated for the procurement of machinery essential for operations, while the remaining \$200,000 USD will serve as cash flow for project initiation expenses such as rent, wages, electricity, and raw materials.

The primary objective of our project is to contribute to the local economy by creating job opportunities and fostering economic growth in the region. We anticipate employing at least 8 foreign experts, including 3 female experts, who will bring their expertise to the project. Additionally, we aim to directly create a minimum of 52 job vacancies within the local labor market during the initial phase of the project.

We believe that our project aligns with the development goals of the region and will have a positive impact on the local community. Therefore, we kindly request your support in granting us the necessary incentives to facilitate the smooth implementation of our project.

Enclosed with this letter are all relevant documents and details regarding our project for your review and consideration. We are available to provide any further information or clarification that may be required.

Thank you for considering our application. We look forward to a favorable response.

Yours faithfully,
