RE: DUTY EXEMPTION ON DEEMED CAPITAL GOODS FOR CERTIFICATE OF INCENTIVES NO: 02241264

Dear Sir,

I hope this letter finds you well. We are writing to bring to your attention a matter regarding the duty exemption on deemed capital goods for our Certificate of Incentives No: 02241264.

As an approved project by the Tanzania Investment Centre (TIC) with the aforementioned certificate, our company is engaged in the manufacturing of cement. We have recently submitted a list of deemed capital goods to the Tanzania Revenue Authority (TRA) for import duty exemption, which was subsequently approved. However, we regret to inform you that TRA has removed certain items from the list we submitted, specifically item as mentioned below

NO:	HS CODE	ITEM NAME	ITEM GROUP	UNIT of Measure	QUANTITY
1	72044900	Grinding Media steel balls	Machinery & Equipment	TONS	500
2	84748000	Mill Liners & bolts	Machinery & Equipment	NMB	3,000
3	85371000	Automation panels	Machinery & Equipment	NMB	2
4	73061900	water & gasoline pipe line machine	Machinery & Equipment	SETS	2
5	84283300	conveyor belts	Machinery & Equipment	SETS	10
6	85371000	Electrical panels with accessories	Machinery & Equipment	NMB	50
7	85372000	Ring Main unit	Machinery & Equipment	SETS	1

9	84145100	industrial Fan	Machinery & Equipment	SETS	20
---	----------	----------------	-----------------------	------	----

These items are crucial for the installation of new plant equipment, and their absence would significantly impede our ability to complete the installation work in a timely manner. Therefore, we kindly request the Tanzania Investment Centre's intervention in this matter. We urge your office to review the list of deemed capital goods and advocate for the inclusion of the aforementioned items to ensure smooth progress and timely completion of the installation work.

We appreciate your attention to this urgent matter and look forward to a favorable resolution. Should you require any further information or documentation from our end, please do not hesitate to contact us.

Thank you for your assistance and understanding.
Yours sincerely

.....
