Dear Sir/Madam,

Subject: Request for TIC Certificate for Alpha Antares Limited

I am writing on behalf of Alpha Antares Limited, a newly registered company investing significantly in the wine and spirit industry in Tanzania. We kindly request the issuance of a Tanzania Investment Centre (TIC) certificate to facilitate our investment endeavors.

Alpha Antares Limited is committed to contributing to the growth and development of Tanzania's economy by investing over 1 million USD in the wine and spirit industry. As part of our investment, we have acquired land and buildings for our operations and have also placed orders for machinery essential to our production processes.

In line with our commitment to further enlarge our project and maximize our contribution to the economy, we are seeking incentives from the Tanzania Investment Centre. These incentives would enable us to expand our operations, create more job opportunities, and increase our overall impact on the local economy.

We believe that obtaining a TIC certificate will not only validate our investment but also provide us with the necessary support and recognition from the government to effectively execute our business plans. Additionally, it will enhance our eligibility for various investment incentives and benefits offered by the government.

We have enclosed all relevant documents, including proof of investment, land and building acquisition documents, and machinery orders, for your review and verification.

We kindly request your prompt attention to our application for the TIC certificate, as it is crucial for the timely implementation of our investment plans. If there are any further requirements or procedures we need to follow, please do not hesitate to inform us, and we will comply accordingly.

Thank you for considering our request. We look forward to your favorable response and the opportunity to contribute to Tanzania's economic growth and prosperity.

Yours faithfully,

Nagendra Singh
Managing Director
