Dear Sir/Madam,

**RE: REQUEST FOR MEMBERSHIP WITH THE TANZANIA INVESTMENT CENTRE**

We hereby submit this letter to formally request membership with the Tanzania Investment Centre. Bayer Life Science Ltd, formerly operating as Monsanto Tanzania Limited, is engaged in the local production, importation, processing, and sale of maize seeds and crop protection products.

We are interested in the services offered by TIC, including assistance with the representation of the interests of the private sector to the government, and access to various incentives and facilitation services. We are confident that TIC's support will be instrumental in the successful establishment and growth of our investment in Tanzania and will provide valuable support and resources to help our business navigate the investment landscape in Tanzania.

Kindly find enclosed the necessary documents in support of our application. We would appreciate any guidance necessary to complete the membership application process.

Thank you for considering our request. We look forward to the opportunity to collaborate with TIC and contribute to the economic development of Tanzania.

Sincerely yours,

Mwinyi Sango
