RE: APPLICATION FOR EXTENSION OF CERTIFICATE OF INCENTIVE

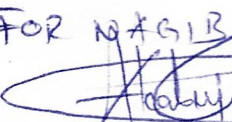

Please refer to the heading above,

The Management of **AvoAfrica Tz Limited** we would like to apply for extension of license (Certificate of Incentive) for more years as we are implementing our on-going project of Agro processing Facility which was delayed because of market challenges caused by red sea crisis, whereby we were unable to work for some time.

Having made our statement as above and with sincere and deep concern, we humbly submit our request in order to rescue the whole investment by running the operations smoothly.

We hope for your favorable and positive consideration.

Yours faithfully

FOR NAGIB

GENERAL MANAGER.
