RE: Request to Add Plot No: 392 to our Registered Project Supreme Perch Ltd – Fish Processing.

Respected Sir,

We kindly request your office to add our Plot No: 392 Block :42 to our certificate no: 02241037114.

During the time of registration, we have forgotten to add our additional plot no: 392 Block: 42 in the certificate of Incentive.

We have purchased this project from Vicfish Ltd and incorporated on Supreme Perch Ltd 2017 July 17th. Vicfish Ltd was not a TIC registered project and we have Supreme Perch Ltd which is registered with TIC. During this process of obtaining Derivative Title deed, we have noticed that one of our plot: 392, block 42 not included in TIC certificate.

So, we kindly request your good office to amend and add that plot no: 392 along with plot no :37.

Thanking you in Advance.

For Supreme Perch Ltd

Ronald Angel Pereira

General Manager.
