Application for Certificate of Incentive

Dear Sir/Madam,

Burhani Furniture would like to apply for TIC membership due to the benefits given to local investors. We have been in business for over 55 years and are contributing to the local economy by continuously investing in our factory over the years. This year, we will be investing about USD 124,050 towards construction of a new a multi-story building which will showcase building materials, furniture and power tools. We are also brining in new raw materials from abroad to facilitate the growth in our business.

It is our hope that after becoming a TIC member, new opportunities will continue to facilitate growth in our company which in turn help contribute to the local economy as well as create plenty of jobs for our hardworking Tanzanian citizens.

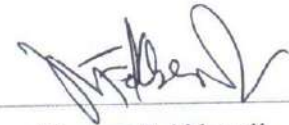

Your Sincerely,

Aliasger F Akberali
