Kamanga Medics Hospital (*Brela Reg.No 526370*), currently a zonal referral hospital whose proprietor is Kamanga Medics Co. Ltd (*Brela Reg.No 100087*), was registered as a hospital in 2014 by The Ministry of Health of Tanzania (*MOH Reg.No 193251*) aiming at providing specialized and super specialized health care services in and around lake zone as well as Tanzanian community at large.

Kamanga Medics Hospital management would like to apply for TIB certificate of incentives for 'KMH Hospital Expansion Project' which is already under implementation.

The cost breakdown and main goal of the project are narrated below:

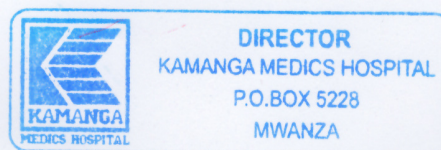

The total costs for the Expansion Project amounts to **Tshs.19.234 Billion** consisting of Tshs **13.351 Billion** for building works, **Tshs 3.795** for equipment and motor vehicles and capitalized interest charges of **Tshs. 2.088 Billion** for one-year grace period. We have so far invested in the project a total of **Tshs. 3.223 Billion** in building works and an estimated total of **Tshs.13.923 Billion** are required to finance the pending investment costs excluding the capitalized interest charges. We expect to get a **Tsh, 16.011 Billion** loan from TIB Development Bank.
