RE: APPLICATION OF REGISTRATION OF PROJECT AT TANZANIA INVESTMENT CENTRE

Care International Consultancy Limited, is the company registered under BRELA with registration number 164127540 located at Mikocheni Manyara Street no: 18 Dar es salaam with Head office at Pangani Tanga. Consisting of six foreigner (Turkish Nationalities) and one Local shareholders, the company intends to invest in Education sector by constructing various school buildings like classrooms, Dormitories, Closed and Open play grounds and religious building to empower capacity of our upcoming leaders of the world.

Upon fulfilling our intention, we have acquired land at Kiman'ga ward, Choba village, Pangani Tanga. We have started our construction after getting all permits from respective bodies, we have planned to spend 1,200,000US\$ on state of art buildings, school furniture's, teaching assisting materials, smartboards, computers and books. While 100,000US\$ will be used in other expenditures and 200,000US\$ have been planned as starting capital for school management.

We would like to ask your office to register our project under TIC so as we can get incentives that falls under our category to ease our investment process.

Yours faithfully
