Description: 1. This Detailed Proof of WeChat Payment Transaction only proves the historical transaction records of users through WeChat payment account during the time period selected by users, including change, change pass, quick payment by bank card, etc. Among them, change also includes the transactions of users through the change account during the account upgrade service. 2. This Detailed Proof of WeChat Payment Transaction is only used for the purpose indicated by the user when applying for this certificate, and shall not be used for other purposes, and shall not be modified or altered.

3. For red envelope, transfer, QR code payment and receipt transactions, the counterparty display is the user's WeChat comments or the counterparty's nickname at the time when this document was generated, for reference only.

4. The recharge and withdrawal of change, deposit and withdrawal of change pass, credit card repayment, purchase of wealth management pass and other internal fund transactions are not included in income or expenditure, but recorded as other categories.

5. If the Detailed Proof of WeChat Payment Transaction is inconsistent with the user's account record in Tenpay system, the account record in the system shall prevail.
