9. behave as good corporate citizens, actively engaged in ensuring social, economic, and environmental sustainability and work to positively impact the entire nation;
10. ensure fair competitive practices are an integral part of the way we conduct our business including transparency in all business transactions and good corporate governance;
11. refrain from engaging in business with parties who have demonstrated unethical business practices;
12. support the development of an audit and certification program against corruption and participate in the implementation of tools and measures created in order to ensure transparency, efficiency, and ethical business practice;
13. support the nationwide campaign against corruption, which promotes fair market conditions, transparency with all business transactions and good governance.
14. not offer or facilitate, directly or indirectly any improper inducement or reward to any public officer, their relatives or business associates in connection with our procurement process or in the subsequent performance of any contract;

Declaration: I acknowledge that I have read and understand the clauses within the Integrity Pledge before signing. I agree and recognize that the clauses contained in this document are legal and ethical matters which I am obliged to abide by. I am also aware that violation of the clauses laid down is in breach of the Prevention and Combating of Corruption Act, the Public Procurement Act, the Economic and Organized Crime Control Act or any other written law and legal action may be taken against me for violating the stated clauses.
