Dear Sir/Madam

**RE: AMENDMENT OF CERTIFICATE OF INCENTIVE NO. 202431777**

Refer to the caption above,

We M/s RED ROCK MIERAL RESOURCES (TANZANIA) LIMITED are taking this opportunity to request the amendment of our certificate of incentive number 202431777 which was issued on 28 March, 2024. At first, we had incorporated all activities that we will be doing in one business plan which has caused a misunderstanding of our operations to TRA in granting us the exemption of our items at the port. So, we request the change of our core activity to be processing and mining services and the change of our project location to be in Geita region, Nyangwale District Lyulu village where our site is of now. Together with letter we have attached another business plan with just one project of mining and processing plant establishment in Geita to aid in your amendment processes. Its our hope that our request will be acted upon accordingly so that we can clear the air with TRA and clear our goods at the port to mitigate further storage costs.

Yours cordially

MOHAMED ABBAS ABU ELAA ABDALKAREEM  
MANAGING DIRECTOR  
ALANYA INVEST LIMITED
