Dar es Salaam, Tanzania.

21st June 2024.

Dear Sir/Madam.

RE: REGISTRATION OF BFG AFRICA (TANZANIA) LIMITED

The caption refers.

It is a pleasure to introduce to you BFG AFRICA (TANZANIA) LIMITED, a company registered under the laws of the United Republic of Tanzania with registration number 173422288 and located at Plot No. 61, AA House No. 50 Mwaikibaki Road, Dar es Salaam (the "Company").

The company will produce high-quality composite components, fibre reinforced plastic (FRP) products, and steel products catering to the diverse needs of Tanzania's transport sector (mainly rail refurbishment and maintenance of locomotives and wagons), marine craft (fishing, patrol, and speed boats), architectural, and industrial infrastructure sectors. This will be achieved using state-of-the-art equipment and processes such as RTM, hand lamination, and the SMC (Sheet Moulding Compound) process, along with world-class precision metal processing machines for cutting, welding, bending, and machining steel products.

With a strong commitment to innovation, sustainability, and customer satisfaction, the company aims to capture a significant market share and contribute to the growth of the local economy. Through strategic marketing and operational excellence, BFG Africa Tanzania aspires to become the premier composite manufacturer in Tanzania and beyond.

BFG Africa (Tanzania) (Pty) Limited Reg No. 173422288
50 Mwai Kibaki Road, Mikocheni, Dar es Salaam, Tanzania
+255 76 638 6040 | info@bfg-africa.com | www.bfg-africa.com
Directors: MI Magerman (SA), B Jack (SA), AJ Howard (SA), MJMA Samer (Bahrain), MQEK

BFG Africa Tanzania has the potential to create numerous jobs for local residents, hiring skilled engineers, technicians, production workers, and administrative personnel. The company will also provide ongoing training and development programs to enhance employee skills and knowledge.

Similar to our operations in South Africa, the company intends to establish a centre of excellence offering both theoretical and on-the-job training for learners with a matric certificate in subjects such as math and science.

As an investment company, we have the full authority and mandate to confirm that we are ready, willing, and able to finance up to United States Dollars 500,000/- (United States Dollars Five Hundred Thousand) from our existing company, BFG Africa Rail (PTY), for the next five years of the project.

We certify that we have sufficient funds and/or credit facilities to initiate the composite business in Tanzania. We hereby declare our intent to invest as soon as the Tanzanian Government or other responsible institutions or persons issues the permission.

Yours truly,

Andrew Howard.

Director, BFG AFRICA (TANZANIA) LIMITED
