RE: **APPLICATION FOR CERTIFICATE OF INCENTIVES FOR MANUFACTURING AND PROCESSING BUILDING MATERIALS PROJECT**

SUB: **APPLICATION LETTER**

I am writing on behalf of Tigeresa Development and Investment Company to apply for a Certificate of incentives for our new project, which involves the manufacturing and processing of building materials. The project is situated in Dodoma, specifically in the Dabalo Area near Manyamba Primary School.

Our company is dedicated to contributing to the economic development of Tanzania by establishing a state-of-the-art facility for manufacturing and processing building materials. This project not only aims to meet the growing demand for building materials in the region but also to create employment opportunities and foster local development.

The total budget for the project is USD Two Million, which will be allocated as follows:

1. Procurement of Machinery and Raw Materials: USD 950,000
2. Infrastructure Construction: USD 400,000
3. Cash Flow for Daily Operations and Other Procurement: USD 650,000

We firmly believe that our project aligns with the government's industrialization agenda and will significantly contribute to the local economy. The procurement of advanced machinery and quality raw materials will ensure the production of high standard building materials. Additionally, the infrastructure investment will facilitate the seamless operation of our facility, while the allocated cash flow will support continuous operations and further procurement needs.

In the light of the above, we kindly request the issuance of a Certificate of Incentives to support our project. This certificate will be instrumental in facilitating our operations and achieving our goals effectively. We are committed to adhering to all regulatory requirements and contributing positively to the community and the national economy.

We appreciate your consideration of our application. Please find attached all the necessary documents and detailed project plans for your review. We are available for any further information or clarification you may require.

Thank you for your attention and support.

Yours faithfully,

Hu Tang
