27th May 2024,

Dear Sir/Madam,

RE: REQUEST FOR EXPANSION OF TIC CERTIFICATE:0224034.

We write to you with regards to the above captioned heading, referring to our TIC Certificate number:**0224034**.

We are writing to request an expansion of our project scope under the Tourism Investment Certificate (TIC) number 0224034, which was originally issued on May 15, 2019 for a period of 3 years until May 14, 2022. We had previously applied for two extensions, the first from May 15, 2022 to May 14, 2023, and the second from May 14, 2023 to June 23, 2024, both of which were granted under the same TIC certificate number.

We appreciate the support extended for the extensions for the periods mentioned, due to this force majeure event, we were unable to implement our business and investment plans during the first 3 years of the TIC exemption. However, as per the enclosed and earlier progress reports, we have been able to commence our investment plan in earnest from early March 2023.

In light of these circumstances, we kindly request your esteemed office to consider our situation and grant us an expansion of our project scope to include the purchase of an additional 50 units of Toyota Landcruiser 4-wheel drive pickups to support our tourism operations.

This expansion will enable us to complete our desired project and objectives, which were initially hindered by the pandemic.

We trust that you will understand and favorably consider our request for an expansion of our project scope. We remain available for any further clarification or information that may be required.

Thank you for your consideration and continued support.
