Dar es Salaam.

**RE: REQUEST FOR PROJECT EXTENSION FOR CERTIFICATE NO. 20213321,  
ISSUED ON 3<sup>RD</sup> MARCH 2021 FOR MILK PROCESSING PROJECT**

Kindly please refer to the subject matter above.

On behalf of Kahama Fresh Ltd, I am humbly writing this letter to request your good office to provide us a 1 year extension for our Milk Processing Project, registered on 3<sup>rd</sup> March 2021 with registration No. 20213321, based at Kihanga Karagwe, in Kagera region.

Our plan was to complete this project in 2023, however, we encountered a delay of payments of about Tshs 1.9bn, from the Ministry of Livestock and Fisheries, whom we have supplied cattle in 2022, we did not receive the funds we had planned to complete the project timely, and hence we failed to settle the impending fees.

Our Banker, TADB has provided us a loan facility of Tshs 1.9 bn. so as to complete the project. We expect the project to be ready by March 2025, and hence this request.

The company therefore proposes to apply for TIC Certificate of Incentives so as to benefit from the Investment Incentives as prescribed by Tanzania Investment Act of 1997.

With this letter we attach the expired Certificate of Incentives, the correspondence with the Ministry of Livestock and Fisheries regarding our delayed payment, for your consideration.

We look forward to your cooperation and support.

Yours faithfully,

JOSSAM NTANGKI,  
MANAGING DIRECTOR,  
MS KAHAMA FRESH LTD.
