RE : APPLICATION FOR A CERTIFICATE OF INCENTIVES FOR OUR PROJECT: MANUFACTURING AND ASSEMBLING OF MOTORBIKES, SCOOTERS, SQUADS, AGRICULTURE MACHINERIES, AND THEIR ASSOCIATED SPARES.

SUB: APPLICATION LETTER

Dear General Manager,

I am writing on behalf of Fenghao technology Company Limited to formally apply for a Certificate of Incentives for our upcoming project, "Manufacturing and Assembling of Motorbikes, Scooters, Squads, Agriculture Machineries, and their Associated Spares," which is slated to be established in Kisarawe, Kigamboni, Dar es Salaam, Tanzania.

Fenghao Technology Company Limited is committed to making significant contributions to the economic development of Tanzania through our investment in the manufacturing sector. The proposed project aims to facilitate the production and assembly of motorbikes, scooters, squads, agriculture machineries, and their associated spares. The total investment for this venture is estimated to be 1 million dollars, distributed separately into cash, equipment, and associated spares.

Outlined below are key components of our investment:

1. Cash Investment: A substantial portion of our investment, approximately 150,000 dollars, will be infused directly into the project for working capital, infrastructure development, and operational expenses.
2. Equipment Investment: We plan to allocate 450,000 dollars towards state-of-the-art machinery and equipment necessary for the manufacturing and assembling processes ensuring efficiency and product quality.
3. Associated Spares Investment: Another segment of our investment, amounting to 400,000 dollars, will be directed towards acquiring and maintaining an inventory of essential spare parts to support our manufacturing and assembly operations.

Our choice of location, Kisarawe in Kigamboni, was carefully considered for its strategic advantages, including accessibility, infrastructure support, and proximity to key markets.

In line with the government's initiatives to promote investment and industrial growth, we kindly request the Tanzania Investment Center to grant us a Certificate of Incentives for our project. The incentives sought will greatly contribute to the overall success of our venture and enable us to make a more significant impact on the local economy.

Thank you for your attention on this matter!

Yours faithfully,

Director
Fenghao Technology Company Limited
