RE: Application for Amendment of Location in the Certificate of Incentives

Dear Sir,

I am writing to request for the Amendment of Location in the Certificate of Incentives No.202421676.

Originally in the Certificate it is stated that the project is located at “PLOT No 4, BLOCK C, IKELU AREA, MAKAMBAKO TOWNSHIP”. Due to the late changes we added another Plot “Plot No.6” in the same block as substation for power supply for the project, we apply to amend the location to “PLOT No 4 & PLOT No 6, BLOCK C, IKELU AREA, MAKAMBAKO TOWNSHIP”

Your earliest actions on this matter would be highly appreciated.

Yours Faithfully,

Xu Xingda
