Dar es Salaam, Tanzania

Dear Sir/Madam,

**RE: APPLICATION FOR AMENDMENT OF CERTIFICATE OF INCENTIVES**

I am writing on behalf of BioBuu, a limited liability company registered under the laws of Tanzania, with Certificate of Incorporation number 127775 and registered office located at Plot 503/1, Msasani village, Msasani Dar es Salaam.

Our company was granted a Certificate of Incentives by the Tanzania Investment Centre on 8<sup>th</sup> February 2017 under Certificate No. 0223118. We are now seeking to amend certain details on this certificate.

Specifically, we would like to amend the details regarding the location of our approved investment project. We have secured a new plot of land located at Plot no 9, block J, Dundani, Mkuranga district council, coast region. We have attached a copy of the Certificate of Occupancy as evidence of the new land.

The reason for this amendment is that our previous location was no longer suitable for the expansion of our animal feeds production facility. The new plot in Mkuranga provides us with more space and better infrastructure to accommodate our growing operations.

We would be grateful if you could kindly review our application and provide us with the amended Certificate of Incentives at your earliest convenience.

Please do not hesitate to contact me should you require any further information or clarification.

Thank you in advance for your kind consideration.

Yours faithfully,

Kigen Compton

Managing Director
