Dear Sir/Madam

RE: Expansion of Sugarcane Plantation and Sugar Production Project

The company, S J Sugar Tanzania Private Limited has registered an investment project with TIC in Agriculture Sector under the certificate of incentive number 022389.

Because of the success of the plantation business, S J Sugar Tanzania Private Limited has decided to increase the scope, investment and capacities of the project; and approach TIC to request for an extension of TIC incentive certificate for further five years.

It may be kindly noted that we have already filed the necessary documents requesting to register the expansion investment project and grant us an incentive certificate for another five years.

We are pleased to inform that our confidence in the project has grown many folds and hence the management of S J Sugar Tanzania Private Limited has decided to expand their operation by increasing their investment from USD 21.75 million to about USD 27 million.

For the ease of reference please receive enclosed herewith the audited financial statements of S J Sugar Tanzania Private Limited for the financial years 2021/22 and 2022/23.

We look forward to seeking the approval and being awarded the new incentive certificate.

I thank you in advance.
