**SUBJECT: FINANCING OF ESTABLISHING CLINKER AND CEMENT FACTORY IN TANZANIA**

**Dear Sir,**

With reference to the letter of intent submitted on December 20, 2023, and documents related to the financing of establishing clinker and cement factory in Tanzania, the project requires to establish a clinker mining line and cement factory to produce all types of cement such as (Ordinary Portland – Resistant – Finishing cement), with annual production capacity of 18 million tons metric and six lines production capacity.

With reference to the documents submitted by you and your request for your assistance in finding the required funding for the aforementioned establishing of the factory, which will be implemented at kongwa district in Dodoma region in Tanzania, on a land area estimated at 100 hectares, for estimated amount about 3,600,000,000 \$ (Three Billion Six Hundred Million US Dollars) including all whatrequired to complete the project in establishing the clinker and cement factory in Tanzania.

And after studying the project from the geographical and economical point of view by the consultants, economists and bankers affiliated with the company and investors.

Based on the positive points that we see for financing this importance project, to move forward with the financing process, evaluate the feasibility study, and ensure that the financing requirements are met with the technical team, you must do the following: Complete the due diligence (compliance) process and validate the feasibility study.

Please email the following supporting documents to **RISKVIZOR COMPANY** in UAE for due diligence, compliance and validation of feasibility studies, **Email : [r.yassine@riskvizorcompliance.com](mailto:r.yassine@riskvizorcompliance.com) [info@riskvizorcompliance.com](mailto:info@riskvizorcompliance.com)**  
**Tel: +971 56 803 1988**

- 1- Customer Information Sheet (CIS)**
- 2-A colored copy of the passport (for all partners)**
- 3- A copy of the registration of the company**
- 4- Validation of feasibility study of the project**
- 5- A copy of this letter**

Please note that the compliance, due diligence, and validation of feasibility study processes are external processes, and you will charge a fee for the services provided by Riskvizor company.

We would like to inform you that the process of conducting due diligence, compliance and feasibility study validation does not mean loan approval but is subject to the company's lending standards.

After deciding on the financing process, we will issue the initial approval letter and our terms and conditions to finance the project going forward.

We look forward to a positive response from Compliance regarding your due diligence.

**THIS LETTER IS VALID FOR (10) TEEN WORKING DAYS FROM ITS DATE.**

Sincerely Yours

**CEO**

**ASSAAD KANSO**
