SUBJECT: APPLICATION FOR CERTIFICATE OF INCENTIVES FOR MINERAL PROCESSING PROJECT

I hope this letter finds you well. I am writing on behalf of LDC Investment and Development Company Limited to formally submit an application for a Certificate of Incentives for our proposed Mineral Processing Project located near Mwazimba Village, Chela, Masala District Council, Shinyanga.

The Mineral processing Project represents a significant opportunity for our company to contribute to the economic growth and development of the region. With an initial investment of \$1 million, we aim to establish a state-of-the-art facility that will not only enhance the value of mineral resources in the area but also create substantial employment opportunities for local residents.

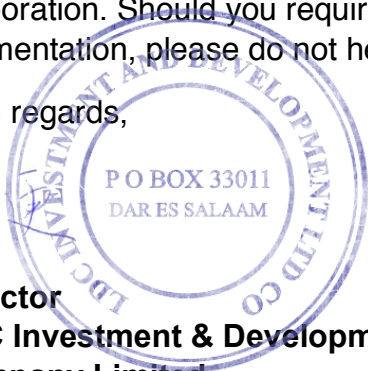

Our Investment plan is meticulously structured, with \$300,000 allocated for the construction of essential infrastructure to support the operations of the project. An additional \$400,000 will be dedicated to the procurement of cutting-edge machinery and its accessories, ensuring the efficiency and effectiveness of our processing operations. The remaining \$300,000 will be allocated as operational expenses, providing the necessary capital for the smooth function of the project.

One of our primary objectives with this project is to foster local economic development by creating more than 100 job opportunities for residents of the surrounding communities. Furthermore, we recognize the importance of global expertise in ensuring the success and sustainability of our operations. To this end, we plan to offer 10 to 20 technical positions to foreign experts who will contribute their specialized knowledge and skills to the project.

We believe that the Mineral Processing Project aligns perfectly with the objectives and priorities of Tanzania Investment Centre, and we are eager to collaborate with you to bring this transformative initiative to fruition. We kindly request your support and assistance in expediting the process of obtaining the Certificate of Incentives, which will play a crucial role in facilitating the timely implementation of the project.

Thank you for considering our application. We look forward to the opportunity to discuss our proposal in further detail and to explore potential avenues for collaboration. Should you require any additional information or documentation, please do not hesitate to contact us.

Warm regards,

Director
