SUBJECT: APPLICATION FOR REGISTRATION WITH TIC

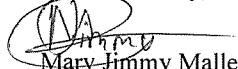

I am writing to formally apply for the registration of Maryangel Motors and Autoparts Ltd. with the Tanzania Investment Centre in support of our Freight by Road Project. As a company dedicated to enhancing the transportation and logistics sector in Tanzania, we are eager to collaborate with the TIC to leverage the benefits and support that come with this registration.

The Freight by Road Project is a significant initiative by Maryangel Motors and Autoparts Ltd., designed to revolutionize road freight services in Tanzania. Our project involves the following key components:

1. Fleet Expansion and Modernization: Utilizing our existing fleet and expanding it with modern, eco-friendly vehicles to support the increased demand for road freight services.
2. Infrastructure Development: Investing in the development and maintenance of critical logistics infrastructure, such as warehousing and maintenance facilities, to support the seamless operation of the road freight network.
3. Employment and Training: Creating job opportunities and offering comprehensive training programs for drivers and logistics personnel to ensure high standards of safety and service delivery.
4. Technology Integration: Implementing advanced tracking and fleet management technologies to optimize route planning, reduce transit times, and enhance overall efficiency.

We are eager to contribute to Tanzania's transportation infrastructure and logistics efficiency and look forward to a positive response.

Yours faithfully,

Mary Jimmy Malle
